- Communication Skills
- Case Management
- Organization
- Sales
- ABA Therapy
- Critical Thinking
- Working With ASD Patients
- Merchandising
- Customer Service
- Conflict Management
- Behavior Management

Experience

AST / Behavior Technician II

June-2022-Sept-2022, San Bernardino County

During my time at AST I received my pediatrics and adult CPR certification as well as my Non Violent Crisis Intervention certification. I worked closely with my BCBA supervisor as well as a supportive team of BT's. I traveled from patient to patient providing Applied Behavioral Analysis Therapy and took several forms of scientific data in order to continue treatment.

Children Dental World / Pediatrics Dental Assistant II

April 2021- June 2022, 1136 N Mt Vernon Ave, San Bernardino, CA 92411

During my time at Children Dental World I became very familiar with the processes of a dental visit from taking intra-oral X-Rays to assisting the doctor during treatments. One of my most important tasks was maintaining the highest sterilization standards.

Target / Tech Department Team Member

Oct. 2020- Jan 2021, 16964 Slover Ave, Fontana, Ca 92337

At Target I learned a lot about sales and providing adequate customer care and service. Our department averaged \$140k+. Our team was responsible for making sure the floor was stocked and the registers were active. I learned when and how to upsell a customer as well as how to save the customer as much money as possible.

Education

Bloomington High School / Diploma

Aug 2015 - May 2019, 10750 Laurel Ave, Bloomington, CA 92316

I was enrolled in a Criminal Justice and Law pathway for all four years of highschool.

Certificates

-
- Adult & Pediatrics CPR
 - Non-Violent Crisis Intervention
